Wilson Medic One

For ALL Patients

Our Fleet includes:

- Sedan vehicles for patients with greater mobility who do not require stretcher transport.
- Single and double stretcher ambulances to support your clinical needs.
- Bariatric-capable ambulances.

Our Service

- We'll escort you safely from your home to the clinic waiting room and back again.
- Our team offers friendly reminders to bring essentials like your Medicare card, phone, referral letters, and house keys.
- Need help locking or unlocking your front door? We're happy to assist.
- We ensure a safe and smooth transfer of care from clinic to home after your appointment.

Appointment Changes

- We understand appointments may run late and will coordinate with the clinic to adjust pick-up times.
- If your appointment is cancelled with at least 3 hours' notice, no charges apply.
- We liaise directly with healthcare providers to manage any delays or changes smoothly.

Our People & Vehicles

- Our personnel are trained in Cardiopulmonary Resuscitation (CPR) and able to administer First Aid.
- They hold nationally recognised qualifications.
- All vehicles carry a defibrillator.
- Our clinic cars have wheelchairs to assist ambulant patients if there is a long distance to walk from the clinic car park to the appointment waiting room.
